Super Service Award 2015

PC Computer Guy Earns Esteemed 2015 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

(Previous Years: 2010-2014)

PC Computer Guy has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2015.

We at PC Computer Guy are proud to receive this award every year since we joined AngiesList in 2010. Thank you to all of our clients that took the time to post reviews for us on AngiesList, making this award possible. Our company's key focus is to provide the best computer repair service at the lowest price - ensuring our customers are happy and keep coming back for all their I.T. needs. We continue to grow and expand in 2016 because of the wonderful "word-of-mouth" of our clients. There are always area's to improve and grow and we will continue to work on those to provide an even better service-experience from our clients.

"Only about 5 percent of the computer service and repair companies in Indianapolis & surrounding areas have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2015 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
