

Community Outreach by PcComputerGuy

Community Outreach by PcComputerGuy

When the owner of PcComputerGuy, Nick Ellis, is not working for you - he can often be found volunteering his time with non-profit partners.

Kids International Dental Services

(www.kidservices.org)

KidServices is dental organization that provides care to kids in third world countries. PcComputerGuy builds and maintains the website for KidServices and has been blessed to have participated several mission trips to El Salvador and Guatemala.

In The Public Square

(www.inthepublicsquare.com) In the Public Square is another pro-bono project dedicated to intelligent Christian discussion.

PSN, The Public Square Network

(www.publicsquarenetwork.com) Please visit the Public Square Network website found at for articles and streaming content which highlight the issues we face today from a Christian perspective.

Owner Nick Ellis made the news while donating blood!
