

## Smartphones

Did you know that your smartphone can use voice-activated commands to search for the nearest restaurant? Let PcComputerGuy help you get the most out of your smartphone. PcComptuerGuy can help with:

- Initial Setup
- Synching
- Bluetooth
- Downloading and installing apps
- GPS
- Media

And much more! Give PcComptuerGuy a call at 317.883.7224 (PCCG) or 866.653.6748 to learn more about how PcComptuerGuy can help you with your Smartphone!
