Remote Tune-up. 50% Off!

Speed Up Your Computer with 1 hour of remote service including a Computer Tuneup for just **\$30**. Friends and family welcome, simply forward this offer to them! Valid now until May 30, 2014.

A friendly professional from PcComputerGuy will remotely give your computer a complete tuneup to maximize speed and performance. During your hour of Remote Access Support we will:

- Scan your computer for infections
- Clean infections and junkware
- Tune up your Web Browsers
- Optimize your Startup
- Clear out old temp files
- Remotely access your computer for only \$30 for 1 hour (normally \$60)
- Answer your questions and make recommendations for keeping your computer running smoothly

***REQUIRES Pre-payment via Paypal and our Remote Access Software installed on the machine to be worked on.**

**** Limit 1 per street address, email and phone number.**

*****This is for ONE HOUR of remote support. In some situations additional time may be needed for issues beyond simple tune-up service.**

******Must be purchased by May 30th, 2014 and redeemed by July 1, 2014**
