Use your Android Smart Phone, smartly! | Tech Tips Video by PcCG

I'm always down for giving (and receiving) tips or advise on doing things in a better way. One common area I see that could use some addressing is Android Smart phones. Many of the functions that I use daily, and would struggle without, are rarely used by many people! I suspect this is mostly because they don't know such ability exists. Let us change that! In this PC Computer Guy Tech Tip Video I demonstrate the use of "Voice Actions" and speech recognition to accomplish some of the most common tasks Smart Phones handle.
